Getting started

About BlackBerry Travel

The BlackBerry Travel app is your personal travel assistant. You can use the app to do the following:

- Monitor your upcoming flights
- Store your travel records
- Keep in touch with your friends and colleagues using LinkedIn
- Check weather forecasts in your area

The home screen of the BlackBerry Travel app provides you with quick access to common tasks and information, such as the latest flight status of your upcoming flight, nearby LinkedIn colleagues, and a five-day weather forecast for your current city.

New features and enhancements

Item	Description
Limousine reservations	You are now able to reserve limousines in BlackBerry Travel.
Saving credit card information	When you use a credit card to book trips or services in BlackBerry Travel, you can save your credit card information.

Turn off automatic trip syncing

The BlackBerry Travel app includes features to help keep your travel plans in sync. Automatic trip scanning can scan your Messages application automatically, and exports all supported travel email messages to the BlackBerry Travel app. Calendar sync can automatically export your travel itinerary to the calendar application on your computer as the itinerary is updated.

On the BlackBerry Travel home screen, press the **Menu** key > **Settings**.

- To turn off automatic trip scanning, change the **Automatic Trip Scanning** field to **Off**.
- To turn off calendar sync, beside **Calendar Sync settings**, click **Open**. Change the **Activate Calendar Sync** field to **No**.

Planning a trip

Plan a trip

1. On the BlackBerry Travel home screen, click **My Trips** > **Plan a New Trip**.
2. Enter your trip details
3. Click **Save**.

If you have already booked a hotel, rental car, or flight and want to add it to your trip, click **Manually Enter Travel Details**.

Edit or delete a trip

1. On the BlackBerry Travel home screen, click **My Trips**.
2. Highlight a trip.
3. Press the **Menu** key.
4. Click **Edit Trip** or **Delete Trip**.

Search for a flight

1. On the BlackBerry Travel home screen, click **Booking** > **Search Flights**.
2. Enter the flight details.
3. Click **Find Flights**.

Book a hotel, rental car, or limousine

1. On the BlackBerry Travel home screen, click **My Trips**.
2. Click a trip.
3. Click **Book Hotels**, **Rent a Car**, or **Reserve a Limo**.
4. Enter your search criteria.
5. Click **Search**.

Services and settings

Search for local points of interest

1. On the BlackBerry Travel home screen, click **Services** > **Local Search**.
2. Enter your search criteria.
3. Click **Search**.

Add a city to the World Clocks screen

1. On the BlackBerry Travel home screen, click **Services** > **World Clocks**.
2. Click a city you want to replace.
3. Enter the city you want to add.

Change your settings

In BlackBerry Travel, you can change a number of options on the **Settings** screen, such as your home city, your default currency, and your notification options. If you have already used a credit card to pay for bookings or services in BlackBerry Travel, you can also edit the saved credit card information on the **Settings** screen.

1. Press the **Menu** key > click **Settings**.
2. To save settings you changed, press the **Menu** key > click **Save**.

Prior to subscribing for, installing, or using any Third Party Products and Services, it is your responsibility to ensure that your airtime service provider has agreed to support all of their features. Some airtime service providers might not offer Internet browsing functionality with a subscription to the BlackBerry® Internet Service. Check with your service provider for availability, roaming arrangements, service plans and features. Installation or use of Third Party Products and Services with RIM's products and services may require one or more patent, trademark, copyright, or other licenses in order to avoid infringement or violation of third party rights. You are solely responsible for determining whether to use Third Party Products and Services and if any third party licenses are required to do so. If required you are responsible for acquiring them. You should not install or use Third Party Products and Services until all necessary licenses have been acquired. Any Third Party Products and Services that are provided with RIM's products and services are provided as a convenience to you and are provided "AS IS" with no express or implied conditions, endorsements, guarantees, representations, or warranties of any kind by RIM and RIM assumes no liability whatsoever, in relation thereto. Your use of Third Party Products and Services shall be governed by and subject to you agreeing to the terms of separate licenses and other agreements applicable thereto with third parties, except to the extent expressly covered by a license or other agreement with RIM.

Certain features outlined in this documentation require a minimum version of BlackBerry® Enterprise Server, BlackBerry® Desktop Software, and/or BlackBerry® Device Software.

The terms of use of any RIM product or service are set out in a separate license or other agreement with RIM applicable thereto. NOTHING IN THIS DOCUMENTATION IS INTENDED TO SUPERSEDE ANY EXPRESS WRITTEN AGREEMENTS OR WARRANTIES PROVIDED BY RIM FOR PORTIONS OF ANY RIM PRODUCT OR SERVICE OTHER THAN THIS DOCUMENTATION.
