

# 2000IFS

## Magnetically shielded centre channel loudspeaker system

### Product Summary

- The 2000IFS with ZMF completes a whole range of audio components to enable the assembly of a top quality audio/video surround sound system at home.
- The new 2000 IFS centre channel speaker has been designed to facilitate crisp, highly image-specific dialogue reproduction. Its arrival brings an important dimension to voice localisation.

### Technical highlights

- As the name of the 2000 Series suggests, these loudspeakers have been designed to meet the needs of the consumer between now and the 21st Century.
- Affordable, high performance audio/video loudspeakers with ZMF (Zero Magnetic Field)
- Contoured front baffle to overcome diffraction
- Acoustically transparent frameless grilles with specially developed low coloration drive units.
